The primary partner Rotary clubs/districts must submit Progress Reports every twelve months during project implementation. The Final Report is due two months after completing the project.

### Project Information

Matching Grant Number 71617 Project Country Thailand

Progress report  Final report Reporting Period from: July 1, 2011 to Nov 18, 2011

Host Partner Rotary Club: Rotary Club of Chiangmai South District: 3360

International Partner Rotary Club: Rotary Club of Petaluma District: 5130

### Project Narrative

1. Briefly describe the project.

a. What were your original objectives?

To help students, who live far away from school, by providing them with dormitory like facility with basic necessities like beds and kitchen ware. By staying at the facility, the students will have more time to focus on their studies.

b. What was actually accomplished? (Photographs can help to tell your story. Please submit any action photos that you have that show beneficiary participation and demonstrate Rotarian involvement in the project. Please also indicate the name of the photographer.)

1. Materials and labor for floor tiling of large dormitory room
2. One large kitchen ware set
3. Thirty sets of iron bar bunk beds
4. Thirty sets of wardrobes
5. Sixty bed cushions
6. Sixty sets of bed sheets, pillows and blankets
7. Five sets of tables with bench seats
8. Four drinking water tanks (2000 liters each)
9. Sixty sets of student personal hygiene kits
10. Food for students during trip
11. Games and activities

c. When and where did the project take place, and who were the beneficiaries?

1. All of the above mentioned items were delivered on June 11-12 of 2011.
2. Long PaeVittaya school
3. Five sets of tables with bench seats were delivered to Lee Khoschool.
4. Benefitted the students and their guardians along with the communities of Long PaeVittaya and Lee Kho schools.

2. Scope change. If the project was changed, how and why was it changed?

1. For students to have better physical health by living in a dry and clean facility instead of the damp and dirty environment of the previous dwelling.
2. Allowing students' guardians have more time to focus on their jobs since they no longer have to make the 4 hour a day commute with their child.
3. Help teachers and other school personnel to concentrate on their work instead of having to treat ill students who are affected by the unfit conditions.
4. To develop friendships among club members who participate in the project.
5. To inform the community that the Rotary Club is an organization who helps people in need no matter of their class or status.
6. Ease the worry of water deficiency by providing enough storage tanks for drinking water.
7. Reduce air pollution and save trees by providing gas stoves instead of wood burning stoves.
8. A need for clean tiled floor for the bed room instead of cement floor.
